Dear Sir or Madam,

October 2009

This letter is a request for donations for Sharp's Gymnastics Academy Girls' Team Booster Club. The Booster Club is a not-for-profit organization involved in promoting a positive and healthy experience for all our young athletes. Our main purpose is to provide financial support for the competitive gymnasts in the form of meet entry fees, uniforms, coaches' fees and the many other expenses associated with competitive gymnastics.

The Booster Club will be hosting a gymnastics meet November 20-22, 2009 at Sharp's Gymnastics Academy. Any donation, monetary or merchandise will be greatly appreciated. All donors will be listed in the Sharp's Chalk Bowl program which will be seen by over 300 gymnast families.
Thank you for your support.

Sincerely,

Lesley J. Hargrave
